

# Follow the steps below to check your device's compatibility with the Joey 30 Cart.

1

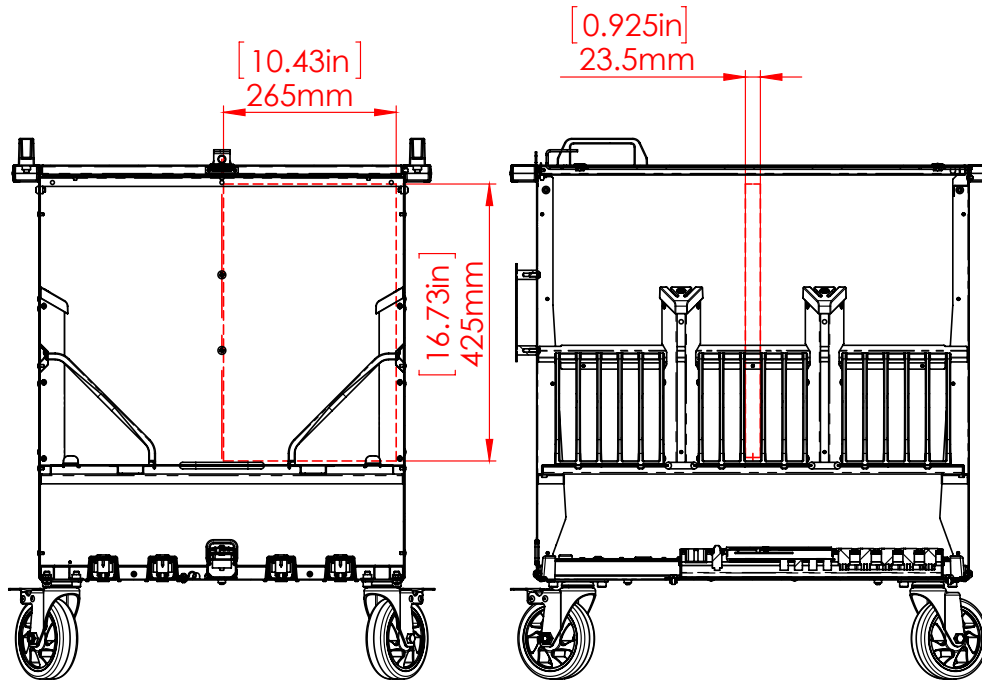

Connect the power cable and measure your device. Check the length, height and thickness.

2

Check device dimensions against the **below** measurements to determine if your device is compatible with the Joey 30 Cart. The illustration below gives you a visual illustration.

3

If your device is smaller than the measurements shown below, your device is compatible.
