

iQ Travel Case 20™

Sync, charge,
store, secure
and transport
up to 20 iPad® or
iPad Air™ devices

-  **Efficient syncing.** Using synchronisation software on your MacBook, the iQ Travel Case 20 can sync up to 16 iPad or iPad Air devices simultaneously, or 20 in rotation.¹
-  **The iQ Travel Case 20 is compact in design** so that you can store it under a desk or anywhere out of sight.
-  **Cushioned and protected.** The iPad devices are stored in foam slots to prevent them from being damaged in transit. This means less cracked screens and more functioning iPad devices ready to use when needed.
-  **Efficient charging.** With 2.1 amp power at each port, the iQ Travel Case 20 is capable of charging up to 16 iPad or iPad Air devices at the same time, or 20 in rotation.
-  **Mobility just got easier.** The iQ Travel Case 20 is a rugged case on wheels designed to transport up to 20 iPad or iPad Air devices.
-  **The perfect balance.** The iQ Travel Case 20 is a custom built Pelican™ Storm Case™ that is both light and strong. You can store up to 20 iPad devices (with or without Smart Covers), and all your connector cables.

It just makes life easier.

iQ 16 Sync Charge Box™... Modular and mobile. With the ability to remove the iQ 16 Sync Charge Box from the iQ Travel Case 20, syncing and charging can occur almost anywhere, independently of the Case.

iPad devices on the move? Then the iQ Travel Case 20 is the perfect companion. The specially designed foam insert allows the storage and transportation of:

- 1 x iQ 16 Sync Charge Box
- 20 x iPad devices
- 4 x stands that hold 4 iPad devices each
- All the necessary cables required to sync or charge your iPad devices

Extra durable, extra protection... The new iQ Travel Case 20 outer shell is now constructed by Pelican. It's lightweight and more durable than ever before. So what does this mean? Anything inside the case is safe and protected. The new case features:

- Pelican Storm Case construction
- Six Press & Pull Latches
- Three Double-layered, Soft-grip Handles
- Two Padlockable Hasps
- In-line Wheels
- Telescoping Handle
- Pressure Release Valve
- Flush Powerful Hinges
- Watertight
- Dustproof

Intelligent power management system.

The iQ 16 Sync Charge Box automatically stages the availability of power to each port. This function prevents the potential of overloading the circuit and protecting your devices.
