

iQ™ 10 Charging Station

Charge, store, secure, transport up to 10 iPad or tablet devices.

iQ 10 Charging Station Specs: 406mm (H) x 430mm (W) x 320mm (L) | 13.8kg

LocknCharge makes life easier.

Baskets by LocknCharge. These aren't your typical picnic baskets. Slotted device Baskets by LocknCharge make device deployments faster, safer and more efficient.

Organized Cables. Minimize cord chaos by keeping those gosh darn cables secure once and for all. Cables stay organized in the unique top channel, allowing you to plug in devices quickly after each use. Excess from each cord is stored in a separate compartment, keeping your station neat and tidy.

Wall or Desk Mountable. iQ 10 Charging Stations are designed to adapt to your surroundings. Transform any wall or counter into a secure area for charging mobile devices while taking up only minimal space.

Easy Cable Management. LocknCharge cable management has been simplified so that you can wire an entire Charging Station in minutes. Save time with set up and gain time using your Charging Station.

Smarter Workflow

Save Time, Save Cheddar.

Our goal is to save you valuable time, each and every day, thus saving you some serious cheddar. Our Baskets enable hand-out and pack-up devices in less time, allowing you to forget about charging and focus on your goals.

Perfect for Shared Use.

Not enough devices to go around? No problemo. Organizations can now easily share mobile devices between rooms without the fuss. Simply grab a Basket or two of devices and transport them safely and easily to just about anywhere you want to go.

Additional Key Benefits

Compatible & Efficient.¹ Includes two small Baskets to hold devices up to 11" as well as a plastic device rack for storing larger tablets, with or without cases. With up to 2.4 amps of power at each port, you can simultaneously charge 10 devices in approximately the same time as charging just one.

Distribute devices up stairs or over rough terrain. Baskets by LocknCharge allow you to share and safely distribute devices between multiple locations within your facility. The Baskets are interchangeable with LocknCharge Carts that use the same Small Basket ecosystem.

Small Footprint. Easily place the Charging Station on a counter or mount it to the wall. Either way, iQ 10 Charging Stations take up minimal space.

Secure. Protect your device investment without worry. Lock away devices in the storage area with a padlock.

Tough as Nails. iQ 10 Charging Stations are made with high-quality, welded steel and are backed by a lifetime warranty.

Lock Included. This Charging Station comes with a high-quality, stainless steel padlock keys.
