

iQ 30 Cart™

Sync, charge,
store, secure
and transport
up to 30 iPad®,
iPad Air™ or
iPad mini™
devices.

Efficient syncing means more time to teach and learn. Using iTunes or Apple Configurator on your Mac, the iQ 30 Cart can sync up to 30 iPad devices simultaneously.¹

Go mobile! The iQ 30 Cart is designed to be mobile, so you can create an instant learning environment in almost any location.

Extremely portable. The iQ 30 Cart is equipped with six removable 5-slot Baskets by LocknCharge. This makes iPad, iPad Air or iPad mini deployments easier.

Lifetime warranty. LocknCharge products are built to last.²

Efficient charging makes for a more productive iPad. With 2.1 amp power at each port, the iQ 30 Cart is capable of charging up to 30 iPad devices simultaneously.

Style meets functionality for better work flow. The iQ 30 Cart features a sliding top lid so that devices can be accessed faster, easier and by more users at once.

Secure! After a day of use, lock the sliding top lid and attach an optional heavy duty anchor kit for securing the Cart while it's not in use.

Lightning™ to USB Cables. Equipped with 30x MFI approved cables.

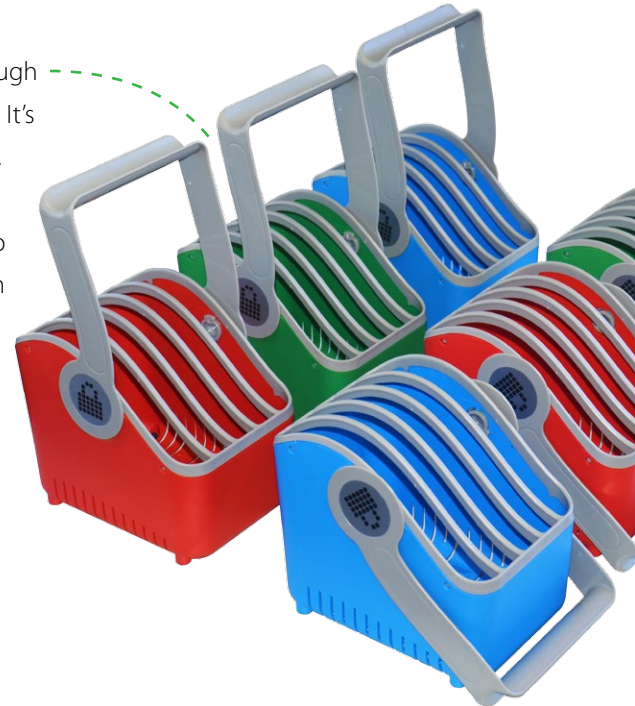

lockncharge®

It just makes life easier.

Designed to go where others can't. Stairs, rough terrain or want to split your set of iPad devices? It's now easier with 5-slot Baskets by LocknCharge. Baskets by LocknCharge are designed to make deployments of iPad devices faster and safer, so that Teachers and IT Administrator can focus on creating an engaging learning environment.

- Durable and lightweight construction
- Compatible with most iPad devices with or without cases

Modular and mobile. With the ability to remove the iQ 16 Sync Charge Boxes from the iQ 30 Cart, syncing and charging can occur almost anywhere, independently of the Cart.

Cable management that is neat and easy to set up. The iQ 30 Cart features a center channel system which holds all the cables in place.

Pre-wired to make set up simple and easy. The iQ 30 includes MFi Approved lightning cables.

Secure syncing or charging! Two external USB host ports, so you can sync your devices while being secured in the Cart.

Intelligent power management system. The iQ 16 Sync Charge Box automatically stages the availability of power to each port. This function prevents the potential of overloading the circuit and protects your iPad devices.
