## LocknCharge makes life easier.

**Baskets by LocknCharge.** Slotted device Baskets by LocknCharge make device deployments faster and more efficient while protecting devices as they're being distributed.

**Organized Cables and Hidden Power Adapters.** Minimize cord chaos by keeping cables secure once and for all. Cables stay organized in the unique top channel, allowing you to plug in devices quickly after each use. Power adapters are stored in a separate compartment, making sure they don't wander off. (Cables not included.)

**Wall or Desk Mountable.** iC Charging Stations are designed to adapt to your surroundings.<sup>1</sup> Transform any wall or counter into a secure area for charging mobile devices while taking up minimal space.

**Easy Cable Management.** LocknCharge cable management has been simplified so that you can wire an entire Charging Station in minutes. Angled outlets perfectly accommodate MacBook Air, MacBook and MacBook Pro power adapters. Save time with set up and gain time using your Charging Station.

# Smarter Workflow

**Less Wasted Time.** Our goal is to save you valuable time each and every day, thus saving you money. Our Baskets enable efficient hand-out and pack-up of devices, allowing you to forget about charging and focus on your goals.

**Centralized Charging.** In order to meet the goals of a mobile device deployment, devices need to be ready to use at all times. When devices are stored at a central point, you'll always know where to find a fully-charged device.

## Additional Key Benefits

**Lifetime Warranty.** All of our products are now fully backed by a lifetime warranty on the main frame, electrical and all other components.\*

**World-Class Customer Support.** Our helpful and friendly Customer Support team will promptly assist with any product issues or questions that may arise.

**Compatible & Efficient.**<sup>2</sup> Includes two or three large Baskets to hold MacBook or iPad devices up to 13" as well as a stainless steel device rack for storing devices up to 17" with or without cases.

**Future Proof.** Think inside the box, and you won't be stuck with outdated charging stations. Removable racks and Baskets allow this station to adapt to future needs as devices change or new technology is added.

**Secure.** Protect your device investment and data without worry. Lock away devices in the storage area with a padlock.

**Distribute devices up stairs or over rough terrain.** Baskets by LocknCharge allow you to share and safely distribute devices between multiple locations within your facility. iC 10 and iC15 Charging Station are interchangeable with the LocknCharge iC 30 Cart.

**Small Footprint.** Easily place the charging station on a counter or mount it to the wall. Either way, the iC Charging Station takes up minimal space.

**Lock Included.** This charging station comes with a high-quality combination padlock.
