

EPIC™ 24 & 36 Carts Divider Racks Compatibility Guide

See if your device fits inside the EPIC 24 or EPIC 36 Cart with dividers. EPIC 24 & 36 Carts come with divider racks installed.

How to Check Your Device's Compatibility:

- 1 The design of the EPIC™ Cart and dividers makes it compatible with most mobile devices, with or without cases.*
- 2 Refer to the blue measurements on the rack drawings to the right. **If your device is smaller than the measurements shown, your device is compatible.**

**We do not recommend EPIC Carts for MacBook devices.*
