EPIC™ 6 Docking Station

Easily dock and charge up to 6 Dell 3100 Chromebooks[1] at an affordable price.

LIFETIME WARRANTY ON STATION

5 YEAR WARRANTY ON DOCKS

EPIC 6 Docking Station Specs: 16.18" (L) x 10.83" (W) x 9.2" (H) | 20.5 lbs
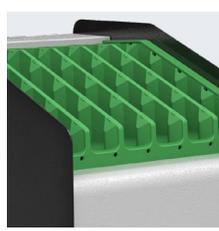

LocknCharge makes life easier.

Convenient Chromebook Docking and Charging. The EPIC 6 Docking Station is the perfect solution in the classroom, on a desk, in a library or anywhere Dell 3100 Chromebooks[1] need a convenient charge.

Organized and Compact. Say goodbye to unruly cables and annoying power strips. Bricks and cables are hidden in a separate compartment, keeping them out of sight yet accessible if needed. The Station fits perfectly on a counter or desk and only takes up a 16.2" x 10.8" footprint.

Pre-Installed USB-C Docks for Dell 3100 Chromebooks. Our patent-pending precision Docks are pre-installed to save time while setting up your Docking Station. The Docks also save time during daily use while connecting and disconnecting devices. Simply install your cables, slide your device into the dock and voilá!–devices begin charging.

Built to Last. Reduce frustration for those constantly dealing with broken charging stations or worn out cables. This sturdy station weighs in at 20 lbs and is designed to last several lifetimes longer than a typical consumer-grade station. The body is made of screwed, riveted and welded steel construction and is backed by our lifetime warranty.*

[1] **USB-C Docks are not compatible with Dell 3100 2-in-1 devices.** *Exclusively designed for use with Dell branded 65w power adapter MFG part 9FNYW (Dell part 492-BCBI). Docks will NOT work with any other Chromebook model.*

lockncharge®

Perfect for 1:1 Take-Home Programs and Beyond

Did a Student Forget to Charge Their Device Last Night?
Most schools have expedited their 1:1 digital transformation to facilitate distance learning. At the same time, ever-changing learning environments have redefined charging needs in the classroom. For students who bring their devices to and from school, this Docking Station perfectly meets any daily charging needs, ensuring kiddos don't fall behind in class simply because their device isn't fully charged.

Easily Pair the Docking Station with Other LocknCharge Docking Solutions. Not all departments, classrooms or grades have the same charging needs. For students who leave their devices at school overnight, our larger-capacity EPIC 24 or EPIC 36 Docking Carts perfectly compliment the EPIC 6 Docking Station to meet a variety of charging and security needs. For schools who are already using Carts, the Docking Station is perfect for quick and convenient charging just about anywhere in the school.

Additional Key Benefits

Magical Unicorn Lifetime Warranty. The steel body of the EPIC Docking Station is backed by our lifetime warranty. The USB-C Docks are backed by a 5-year warranty.*

World-Class Customer Support. Our helpful and friendly Customer Support team will promptly assist with any product issues or questions that may arise.

Quick Charging, Quick Access. Easily dock a device in seconds. Once charged up, students of all ages can retrieve that devices just as quickly.

Efficient Setup and Cable Management. Set up your Station in minutes while keeping cables organized and out of the way during use.

Affordable for All Budgets. Enjoy great LocknCharge USB-C Docking features at an entry-level price.

Rigorously Tested USB-C Docks. Kids can be rough on their devices and cables, but you can be confident that your USB-C cables won't be damaged during Station use. Testing has proven the durability of the LocknCharge USB-C docking slot and power adapter. Chromebooks were docked and un-docked over 9,500x with 0% failure rate.[2]
