Follow the steps below to check your device's compatibility for the iC 15 Charging Station.

1

Check where the power inlet is located on your device. Is it on the side or on the rear of your device?

2

Check your device dimensions. Use the **blue** measurements if the power inlet is on the side. Use the **red** measurements if the power inlet is on the rear.

3

If your device is smaller than the measurements shown below, your device is compatible.
